|                | partners.  |
|                | Consult with service users / stakeholders / partners to understand issues and challenges and   |
|                | provide recommendations for solutions.   |
|                | Manage relationships with customers, partner organisations and / or suppliers – monitor inbound  |
|                | and outbound service levels: discuss operational issues with partners.   |
|                | and outbound service levels, discuss operational issues with partificis.   |

|                             | Lead professional and point of contact to provide technical specialist solutions.   |
|-----------------------------|---|
|                             | Apply good judgement, sensitivity and diplomacy required in all dealings with others.   |
|                             | Be a representative on behalf of the service area / council internally and / or externally.   |
| Decisions –<br>Discretion & | Decisions lead to the setting of working standards and important procedures for the service area which have an impact across the organisation.  |
| Consequences                | Use initiative to manage responses to complex business / technical issues within the service.   |
|                             | Make business decisions based on up to date specialist knowledge and analysis.  |
|                             | Contribute to developing council strategy within the service area.  |
|                             | The consequences of the decisions will have a significant effect across the organisation.  Drive and delivery complex work programmes within or across specialist areas to meet                               |
|                             | established operational targets.  |
|                             | Develop, implement, maintain and manage complex systems, policies, procedures and / or  |
|                             | standards within specialist area whose outcomes can affect council wide approaches / business.  |
|                             | Review the functionality of these in response to either internal or external drivers. Recommend and implement changes as required to meet organisational needs.   |
|                             | Research, manage and evaluate complex information / data / feedback. Identify and interpret   |
|                             | organisational issues, trends and problems which may have a broad impact both within the  |
|                             | organisation and for partner organisations.   |
|                             | Identify and recommend solutions where service delivery / business / performance risk has been  |
|                             | identified. Lead initiatives to design and deliver improvements and transformation.   |
|                             | Monitor and report on service standards as required.  |
| Resources                   | Little or no responsibility for physical or financial resources.  |
| Work Demands                | Work subject to interruptions and deadlines, involving changing problems, circumstances or demand.  |
| Work<br>Environment         | Office based but may involve some travelling to other council buildings.  |
| Our Identity                | Our Identity sets out who we are and provides a shared understanding of how we are all expected   |
|                             | to lead, work and act with each other, our partners and our residents to deliver our services and   |
|                             | build stronger communities. They enable us to continually evolve and adapt to meet the changing   |
|                             | needs of our residents and ensure that we continue to deliver great services and make a difference to the people of Wiltshire.  |
|                             | All of us are expected to demonstrate the seven elements of <u>Our Identity</u> in how we work to shape   |
|                             | and create the organisation we want to be part of. It should influence our decisions, activities,   |
|                             | projects and ways of working.   |
| Skill Profile               | To be demonstrating level 3 "expert" across all three skill areas of communication & customer   |
|                             | service; performance through people; and personal effectiveness.  |
| Health & Safety             | All employees are required to carry out all duties and responsibilities with reasonable care for the  |
|                             | health and safety of self and others and report any potential hazards or unsafe practices to their  |
|                             | line manager.   |
| Equalities                  | Wiltshire Council is committed to ensuring employees do not discriminate against colleagues,  |
|                             | suppliers or third parties at work or harass or victimise others. Incidents of discrimination at work   |
|                             | are taken seriously and employees are encouraged to report incidents via their manager or   |
| Authority to worl           | anonymously via the whistleblowing policy.  |
| Authority to work           | All employees must have the legal authority to work in the UK. Non-UK nationals must have the relevant approval to work in the UK from the Home Office. Copies of any relevant documents provided as proof of |
| in the UK                   | right to work are retained for our records; by providing these proofs the council will treat this as consent.   |
|                             | right to work are retained for our records, by providing these proofs the council will treat this as consent.   |

The above profile is intended to describe the general nature and level of work performed by employees in this role and does not detail a list of all duties and responsibilities. The council reserves the right to amend this role profile as necessary.

| Reports to:                    | Head of Customer and Communications   |  |  |

### Job Family overview

### Organisational support job family overview:

Delivery of services to support the council and its partners in longer term; corporate compliance, contracting, planning, performance, policy and strategy.

- Focus on the business and service infrastructure of the council and its partners to ensure effective management and proper compliance.
- Advice and services rendered will generally be accepted as authoritative and recommended practice.
- Specialist area and/or management knowledge.
- Understanding area concepts and plans.
- Defining implications of external influences and trends.
- Shaping of council responses including service plans/strategies & policies.
- Definition & management of strategic planning processes.
- Monitoring and reporting of performance.

#### Service / function Context

The overall responsibilities of the service/function are:

The council's communications team is responsible for delivering a centralised service that covers communication, marketing, events and reputation management to maintain and enhance the council's brand and how the organisation is seen.

All communications are targeted and timely to a range of audiences including customers, staff, elected members, media, partner organisations and other stakeholders (local, regional and national) to ensure that they are informed and aware of relevant council priorities, news, events, activities and policies.

The team promotes the council's work and its services, its work with partner organisations, and promoting Wiltshire as a place to work, visit and live in. The team also provides communications and marketing advice and expertise, as appropriate to a wide range of audiences.

#### **Job Purpose**

The communications and engagement manager (waste transformation) is responsible for providing strategic support to deliver a communications and engagement programme of work for the waste transformation programme.

The communications and engagement manager (waste transformation) will work with a number of stakeholders across a range of service areas and including external partners to support the delivery of this complex programme of work using a broad range of communications and engagement channels.

Specific duties and responsibilities include:

- Working with stakeholders including the Head of Waste Management and Director of Environment
  to develop the long-term communications and engagement strategies for the waste transformation
  programme, impacting every household across Wiltshire. This will include managing the
  communications and engagement with stakeholders at all stages of the project in Wiltshire.
- Providing advice and guidance on the best approach to communications and engagement on complex projects and issues which could be contentious and challenging with stakeholders.
- Applying expert knowledge to proactively anticipate interest in potentially negative issues and formulating and implementing a communications and engagement strategy to mitigate the impact upon the council's reputation.
- Liaising with senior staff and cabinet members on strategies for managing stakeholders on both
  positive and potentially negative issues, including managing the development of the
  communications and engagement strategies.
- Demonstrating highly developed levels of tact and diplomacy to deal with conflicting opinions to achieve the most effective strategy for communicating potentially complex and controversial issues.
- Representing the service area at key internal meetings and events and representing the
  organisation at key external events and meetings. Ability to make difficult decisions to offer
  solutions to problems and resolve issues.
- Providing professional advice on crisis management to elected members, senior officers and other members of staff.
- Delivery of complex communications and engagement programmes to achieve established and agreed objectives. This will include developing and delivering a comprehensive communications and engagement strategy, and, where appropriate, delegating tasks to members of the Communications, Marketing and Events team and the Waste & Recycling Engagement Officer.
- Supervising the successful delivery of the Communications and Engagement strategies for the waste transformation project in Wiltshire.
- Commissioning promotional/communications materials and services in support of specific campaigns, events and marketing promotions where it is appropriate for the target audience and delivers value for money.
- Building relationships with key stakeholders both within the organisation, in Wiltshire communities and at a national level, including local and national journalists, bloggers, community groups, and partner organisations.
- All members of the service will be required to take joint responsible for monitoring all social media channels, either highlighting and escalating any concerns or queries or responding as appropriate.

Specific requirements for this post:

- The post holders will be required to participate in an out-of-hours communications service on a rota basis.
- This post may involve evening and weekend work as necessary for events and

| promotions. |  |

### **Person Specification**

Specific qualifications, knowledge, and skills required for this role:

#### **Essential**

This role will require specialist knowledge in the following communications and engagement skills:

- Expert knowledge of strategic and operational issues affecting local government.
- Degree (or equivalent experience) in communications-related field, or degree with post-graduate diploma in journalism or public relations.
- Professional qualification such as CIM or CIPR diploma or equivalent experience.
- Membership of relevant professional body e.g. CIM or CIPR.
- Project management qualification or equivalent experience.
- At least five years' experience working in a press or communications team.
- Excellent political awareness and understanding of the political context of the post.
- Proven excellent writing ability, including writing for the web and generating excellent social and online content, along with writing for traditional publications.
- Previous experience of applying expert knowledge of the media and pre-empting what the media's interest will be in particular issues.
- Expert knowledge of all communications channels including all forms of digital and social media and the web, Proven commitment to maintaining and updating knowledge with the latest developments in all forms of digital and social media.
- Proven ability to forward plan a comprehensive programme of engagement activities and events with both internal and external stakeholders.
- Experience of working within a political environment.
- Experience of working with a range of internal and external stakeholders, including the ability
  to negotiate to achieve the best outcome when there may be differing opinions and offering
  advice and guidance.
- Experience of managing the communications and engagement on high profile projects with wide-ranging impact across a number of channels, including organising stakeholder events.
- Proven ability to make quick decisions, independently.
- Ability to advise senior officers and members on communications strategies and managing the media.
- Proven ability to sensitively, tactfully and diplomatically deal with conflicting requests, making informed decisions about the most appropriate action required.
- Previous experience of successfully managing multiple high profile projects and conflicting deadlines.
- Skills in segmenting audiences and selecting appropriate channels to reach them.

**Supporting information** 

| Driving classification   |             |
|--|-------------|
| Occasional driver  |             |
| A valid UK driving licence is not required. Occasionally may need to travel to different locations in order to undertake the duties of the role.                             |             |
| Regular Driver   |             |
| Must hold a valid UK driving licence (with no more than 6 penalty points) and have access to either their own car or a pool car in order to undertake the duties of the role | $\boxtimes$ |
| Or   |             |
| other forms of transport are available and viable to perform the role.   |             |
| Required Driver  |             |
| Must hold a valid UK driving licence (with no more than 3 penalty points) and will drive a vehicle supplied by the Council in order to undertake the duties of the role.     |             |
| Employees should refer to the Corporate Driving at Work policy for further information.  |             |

#### **Driving trigger points**

The trigger points set out below, regarding driving licence points and at-fault accidents, apply to all staff who drive on council business.

| Trigger Points            |   | Additional corrective training if appropriate or further action |  |
|---------------------------|---|---|--|
| Points on driving licence | 6 | 9   |  |

|                             | Discussion    | Corrective | Additional     |
|-----------------------------|---------------|------------|----------------|
|                             | and advice on | Driver     | corrective     |
| Trigger Points              | expected      | Training   | training if    |
|                             | driving       | Course or  | appropriate or |
|                             | standards     |            | further action |
| At fault accidents within a |               |            |                |
| two-year period (whether    | 1             | 2          | 3              |
| work or personal)           |               |            |                |

Job applicants who drive must have 9 or less points on their driving licence and must have less than 4 at fault accidents within a two-year period. If they meet the trigger points, they will be subject to the actions outlined in the table above.

If holding a valid licence, occasional drivers will need to declare penalty points and no-fault accidents as requested. Depending on the role, decisions as to whether this might either affect appointment or require corrective driver training, will be made case by case.
